Welcome

We are delighted to welcome you to our 2nd London Live HPB Masterclass!

Our focus will be on all aspects of endoscopic pancreaticobiliary care. It will be of interest and relevance to all involved in ERCP and EUS, including established consultants, trainees and endoscopy nurses involved in delivering the care.

The focus will be not only on the technical aspects of performing safe and effective procedures, but on vital areas that are crucial parts to patient care, including service structure and logistics; delivering and receiving training; and the impact of diseases and interventions on patients themselves.

Reimagining HPB Education

The two-day meeting will include dedicated hands-on training on models (including ERCP cannulation, precut/bowstring sphincterotomy, stenting, stone extraction; therapeutic EUS/LAMS; cholangioscopy), meet the experts sessions, didactic lectures and live endoscopy from London, Amsterdam and Hyderabad.

We expect the meeting to be collaborative, challenging, and fun, with all of us reaching a better understanding of how to deliver great care, and how to safely and effectively incorporate the wide range of procedures and technologies into our practice.

We look forward to seeing you in London in April!

Dr George Webster

Dr Gavin Johnson

Faculty

We will be joined by an outstanding UK and international faculty, with > 450 years of experience in HPB endoscopic practice and teaching

UCLH

Dr George Webster (Course Director)
Dr Gavin Johnson (Course Director)
Prof Steve Pereira
Dr Simon Phillpotts
Dr Michael Chapman
Dr Tareq El Menabawey (Technical Director)
Dr David Graham (Technical Director)

UK

Dr Manu Nayar (Newcastle)	Dr Jon Potts (London)

Programme

Day 1 – Thursday 23rd April Morning Session		
Session	Location	
0815-0845	Education Centre UCLH	Registration + refreshment
0845-0900	Room 1	Welcome + orientation
0900-1045	Hands-on training Group 1 delegates · Including: ERCP cannulation, stones, strictures, pre-cut sphincterotomy; cholangioscopy; EUS FNB, EUS LAMS	Meet the experts video case discussion Group 2 delegates · Cannulation challenges · Stricture management · Stone management · Therapeutic EUS (cyst-gastrostomy, EUS-GJ, EUS-HGS)
1045-1115	Coffee break	
1115-1300	Hands-on training Group 2 delegates · Including: ERCP cannulation, stones, strictures, pre-cut sphincterotomy; cholangioscopy; EUS FNB, EUS LAMS	Meet the experts video case discussion Group 1 delegates · Cannulation challenges · Stricture management · Stone management · Therapeutic EUS (cyst-gastrostomy, EUS-GJ, EUS-HGS)

Programme

1300-1400	Lunch + Industry Exhibition	
1400-1530	Pancreatitis Symposium – prevention, disease impact, management	
1400-1420	Surviving acute severe pancreatitis – a patient’s experience	TBC
1420-1430	Preventing post-ERCP pancreatitis	George Webster
1430-1450	Acute severe pancreatitis – the view from ITU	Robert Tidswell
1450-1510	Endoscopic management of pancreatitis complications	Manuel Perez-Miranda
1510-1530	Discussion	
1530-1550	Coffee Break	
1550 - 1635	Delivering optimal care	
1500-1615	Developing + delivering a network pancreatitis service	Manu Nayar
1615-1635	BSG National ERCP Survey – lessons for all	Simon Everett
1635-1715	“Do we, don’t we?” – Challenging scenarios in ERCP	
	ERCP for suspected sphincter of Oddi	Panel Discussion
	Options for the difficult papilla	
	Cholangioscopy at index ERCP	
1900-2230	Gala Evening – Swan Restaurant/Shakespeare’s Globe	

Programme

Day 2 - Friday 24th April 2026				
	Location	Activity	Topic	Faculty
0845-0900	Education Centre UCH	Day 1 recap + orientation		George Webster
0900-1045	UCH + Hyderabad	Live Endoscopy		
1045-1100		Lecture	EDGE + EUS GJ – Tricks + Tips	Manuel Perez-Miranda
1100-1130	Coffee + Industry Exhibition			
1130-1230	UCH + Hyderabad	Live Endoscopy		
1230-1300		Lecture	The past + future of ERCP and HPB Endoscopy	Nagy Reddy
1300-1400	Lunch + Industry Exhibition			
1400-1515	UCH + Amsterdam	Live Endoscopy		
1515-1530		Lecture	Endoscopic approach to malignant hilar obstruction	Gavin Johnson
1530-1600	Coffee + Industry Exhibition			
1615-1715	UCH + Amsterdam	Live Endoscopy		
1715	Summary discussion + close			

Nurses Programme

Excellence in HPB endoscopy is a team event!

We are delighted to deliver a dedicated programme for nurses involved in HPB endoscopy

DAY 1
11:00-
12:30

ERCP + EUS Nursing experiences

- ✓ Challenges to upskilling
- ✓ Sharing experiences
- ✓ Room set-up for optimal nursing care

DAY 1
15:15-
17:00

Nurses Hands-On Training

- ✓ Short-wire ERCP technique
- ✓ Cholangioscope set-up
- ✓ Biliary stent deployment
- ✓ EUS FNB & HotAXIOS/LAMS deployment

DAY 2
09:00-
17:15

Live Endoscopy + Full Programme
