Dear Friends,

We would like to welcome you all to the 4th Stoke International live ERCP-EUS symposium.

The two-day event will aim to address the clinical and technical issues faced during ERCP, including the role of EUS in ERCP (ERCP/EUS interface), using a combination of interactive lecture, panel discussion and live case discussion guided by our expert local, national and International faculty.

Srisha Hebbar  
Course Director

Damien Durkin  
Course Director

This year, we will also focus on

- How to get it right first time (GIRFT) in ERCP, with emphasis on bile duct stone management.
- ERCP EUS training and Quality Improvement in the wake of "Shape of Training".
- Insight into the various ERCP services in the country.
- The future of ERCP, including discussion on EUS guided bilairy drainage and single use duodenoscopes.

We encourage trainees and consultants in gastroenterology, hepatobiliary surgery and GI radiology, as well as ERCP radiographers and nurses to attend and benefit from the superb educational opportunities that this symposium will provide. 12 RCP CPD points will be awarded.

We look forward to welcome you all to Stoke.
